Austria Closes Factories
For One Day Each Week

VIENNA, AUSTRIA.—Every factory in Austria is to be closed one day each week to save fuel. Low rainfall has caused a shortage of hydroelectric power. Further economy measures include cutting off of electricity for several hours daily to all domestic consumers and prohibition of private use of electricity for anything but lighting.

Use Seaplanes to Spearhead Expedition in Whale Hunt

LONDON.—Seaplanes are spearheading the British whale hunting expedition in the Antarctic. Three converted Walrus seaplanes, earmarked for whale patrol, were launched at Cowes, Isle of Wight. The British expedition consists of a factory ship, a dozen catchers and seaplanes. The latter report the position of the whales or their feeding grounds, allowing the parent ship to send out catchers.

Yule Means December
The word "Yule" for Christmas comes from the Anglo-Saxon "geol," meaning December.
